The Amber Menefee Mobile Memorial Trailer is a drunk driver awareness program. When the trailer is brought to your event, we can show the trailer and give a power point presentation along with it. The presentation is geared toward our youth, but can be used for an adult presentation also. The money that is raised while presenting the trailer is used to off-set the cost of maintaining the trailer. The cost of the trailer is listed below:

**\$200.00 dollars a day

**25 cents a mile outside of 60 miles from Paris, Texas, 75460 (effective 5/12/08)

**If we are required to stay more than one day at your event (over 60 miles from Paris), the organization that books the trailer will be required to pay for lodging for the attendants of the trailer. We will always have at least one member of the Amber Menefee Mobile Memorial board accompanying the trailer.

Please call for any questions you may have concerning scheduling the trailer. A copy of the promotional video is available by email.
